

ezcater Solutions

- **ezCater Marketplace**

- Get expert guidance on how to grow your catering business. We turn data from millions of catering transactions over 11+ years into actionable insights on how to grow your catering business.

- **ezOrdering**

- Increase catering orders on your website with built-for catering online ordering. Partners with online ordering get 11% increase in ezCater Marketplace bookings.

- **ezDispatch**

- Built solely for professional catering. Our hand-picked delivery providers get a 96% professionalism rating from customers.

- **ezManage**

- Capture all your catering orders in a single source of truth, with the tools to accurately track and deliver them on time, and in-depth reporting you can act on.
