

FOODSERVICE FLATBREAD

OUR HERITAGE AS BAKERS GOES BACK GENERATIONS ON BOTH SIDES OF THE KONTOS FAMILY. WE'VE BEEN TAUGHT TO VALUE QUALITY... AND TO OFFER ONLY THE FINEST FLATBREADS AND FILLO PRODUCTS TO OUR CUSTOMERS.

OVER 60 VARIETIES OF FLATBREAD

We began with our classic pita and gyro, and expanded our flatbread line to provide daily bread for more than 30 ethnic populations. They came here from Europe, the Middle East and Southern Asia.

But we didn't stop there!

We embrace current food trends and respond to a customer base that has developed a much more adventurous palate.

THE KONTOS NAME WILL
ALWAYS BE OUR GUARANTEE
OF QUALITY AND FLAVOR.

Our Signature Breads

Pocket-Less Pita® and Gyro, inspired by our heritage, are our two signature breads. And they are our most popular.

The traditional hand-stretched baking method we use makes them light and fluffy. It takes a bit longer to make them, but it's worth it. Their old-fashioned taste, texture and aroma will take you back to Yia Yia's kitchen!

POCKET-LESS PITA®

- 100% VEGETARIAN
- NO CHOLESTEROL
- NO TRANS FAT

The particular dough and hand-stretching method we use to make Kontos® POCKET-LESS® PITA makes it a light, full-flavored, fluffy pita that toasts to perfection ... but does not produce a pocket.

Traditional White: Perfect with traditional or contemporary cuisine.

Whole Wheat: A More Healthy Option—Wholesome whole wheat gives this variety its distinctive nut-like flavor.

GYRO BREAD

- 100% VEGETARIAN
- NO CHOLESTEROL
- NO TRANS FAT

Foodservice establishments give Kontos GYRO BREAD a ★★★★★ rating. Our Hand-Stretched & Pre-Oiled baking method makes this gyro stand-out in foodservice. It stays flexible and warm longer than any other gyro—the best choice for a traditional fold-over. Add Kontos Tzatziki Sauce to make it a traditional Gyro.

FLEX-PITA™

- 100% VEGETARIAN
- NO CHOLESTEROL
- NO TRANS FAT

A very flavorful flatbread that's easy to work with in the kitchen. Made with a blend of wheat, soy, and sesame flours with oat fiber for a delicious taste profile. *It stays very pliable at room temperature.*

POCKET PITA®

- 100% VEGETARIAN

The baking method for this type Middle Eastern pita forms a natural pocket. Fill it with hot or cold vegetables, meats or cheeses.

White: Perennial crowd-pleaser for a meal you can hold in your hand.

Whole Wheat: A healthier option made with 100% ground wheat flour.
