

Healthcare, on the go.

Total Direct Care

Total Direct Care™ Inc. is a next generation healthcare provider that provides leading edge technology at an affordable price.

We provide a patient centric approach to healthcare

Total Direct Care is poised to disrupt the current healthcare model with our simple, patient first approach. Our telehealth platform keeps you healthy, whether you are on the go, at home or at work, regardless of location. Just log in and tell us what's going on and our AI chat will ask you a few questions to determine next steps and connect you with a live provider within minutes.

How our coverage benefits you

Total Direct Care uses the latest telemedicine technology to streamline the healthcare process. Making it easier for you to access what you need so you can be healthier and happier.
