# Key Benefits of Choosing PourMyBeer

## Reduced Wait Times & Boosted Customer Satisfaction

Give guests flexibility and freedom over their beverage experience. With our self-pour system, guests can access their preferred beverages without waiting in line, enhancing their experience and overall satisfaction.

## Increased Revenue & Profitability

Capitalize on your beverage sales and optimize customer flow. By enabling customers to serve themselves more conveniently and quickly, you boost your overall profitability.

## Optimized Operations & Labor Management

Enhance your beverage service through automation and navigate labor shortages with ease. Achieve optimal performance with fewer staff members, optimizing your valuable resources.

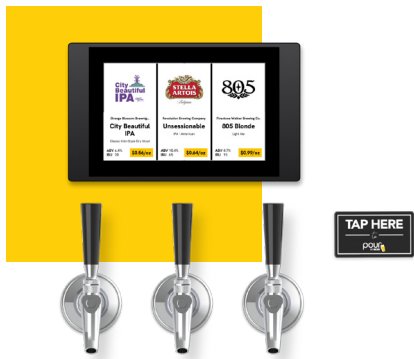

## Integrate With Top POS Systems

PourMyBeer's self-pour technology integrates effortlessly with leading point-of-sale systems, including GoTab, Toast, Clover, Aloha, and more, for a seamless, hassle-free management experience.

# Key Benefits of Choosing PourMyBeer

We don't just pour beer! Our technology can handle an array of beverages, including wine, cocktails, soda, kombucha, and even cold brew coffee. Thanks to the versatility of our self-serve technology, you can cater to a diverse clientele with various beverage preferences.

equipment today!**

## Built-In Walls

Incorporate self-pour technology directly into your venue's walls for a sleek, immersive beverage experience. Customize the design to reflect your unique branding and create a memorable, interactive experience for your guests. Available in configurations of 2, 3, or 4 taps per screen.

## Self-Pour Stations

Choose from our 4, 6, or 8-tap configurations that require zero construction and seamlessly integrate with major Point-of-Sale systems. Transform an unused space in your venue into a profit-making machine! These stations provide a convenient, user-friendly self-pour experience for your customers.

## Tap Trailers

Ideal for handling high-volume guest traffic during peak times, our customizable tap trailers bring the thrill and efficiency of self-pour wherever needed. Available in a 5-screen, 10-tap configuration.
