Instant Hot Catering Solutions

Vidacasa's Instant Hot Catering Solutions provide an easy and safe way to provide hot food for catering functions of an hour or less.

Our water activated heat blaster packs combined with our patented instant hot buffetware allow the user quick set-up and easy clean up without the need for potentially dangerous gel chafing fuel.

How To Use

Add Heatblaster

Set up your Instant Hot Buffetware tray and place open heatblaster pack inside reservoir.

Add Water

Add just enough warm water to the top of the reservoir and wait 1 minute for heat activation.

Serve!

Add your food container inside Instant Hot Tray and serve HOT fresh food.
